MEDICINAL.

"Out of Sorts."

Nature tastes good. Nothing gives more pleasure than to eat and drink. The mind is dull and sluggish. Little things irritate. What's the matter? The probabilities are that the stomach is deranged and the liver injured.

Dr. Pierce's Golden Medical Discovery cures a man who is run down and dispirited like a new being. It cures indigestion, constipation, and other troubles of the stomach and bowels, and gives the liver into action, and increases the activity of the blood-making glands, so that there is an abundant supply of pure, rich blood.

It cures indigestion, constipation, and other troubles of the stomach and bowels, and gives the liver into action, and increases the activity of the blood-making glands, so that there is an abundant supply of pure, rich blood.

Dr. Pierce's Common Sense Medical Discovery, containing 100 large pages, in paper covers, is sent free on receipt of one-cent stamp to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

ELY'S CREAM BALM is placed into the nostrils, and over the membrane and is absorbed. It is immediate and a cure follows. It is a safe remedy and does not produce drowsiness, but at once relieves the worst cases, and can't help but do you good.

THE REAPPORTMENT BILL. Representative Hopkins, chairman of the census committee, yesterday afternoon in the House introduced a bill that will in all probability be passed by Congress. Virginia's representation is placed at nine, the State losing one Congressman. The basis of representation is placed at one representative for every 208,000 of population.

The measure is non-partisan, as many of the northern States lose representation and several southern States gain. Even Ohio loses one Congressman. If the bill is passed, the House will remain its present size, 357.

Provision is made for the redistricting of the States. The changes made in the representation are as follows:

Losses—Indiana, Kansas, Kentucky, Maine, Nebraska, Ohio, South Carolina, and Virginia, 1 each.

Gains—Illinois, Louisiana, New Jersey, New York, Minnesota, and West Virginia, 1 each, and Texas 2.

Mr. Hopkins called a meeting of his committee yesterday to consider the various apportionment bills.

HER LOVER'S PLEA IN VAIN.—The justice of the peace yesterday sentenced Annie Wyatt, a refined looking young woman, to serve three months in jail for the larceny of \$500 worth of goods from the store of Julius Meyer & June, where she had been employed several years. Her sweetheart stood by her in her trouble and begged the judge to make her sentence a fine, saying he would pay it and marry her.

The young woman was discovered going out of the store Thursday night with a bundle. A search of her house was made, and a large amount of lace, silk, buckles, and other goods was discovered. The young woman had at all times borne the very best reputation, being a teacher in a Sunday school. She lost her parents at an early age, and has always had to support herself, and she thought she was tempted by the Christmas goods in the store. Her lover will make every effort to induce the Governor to pardon her. It is very likely that this will be done, as the Richmond jail is almost unfit for a human being to inhabit.

LIGHTNING'S WORK.—One of the most severe storms that ever visited San Francisco broke over the city at an early hour yesterday, rain and wind sweeping over the city with unusual violence, accompanied by thunder and lightning, a rather unusual occurrence in that city. At one time rain fell in such torrents that many thought a cloud-burst imminent. During the height of the storm several houses were overturned by the wind, fences blown down and other damage done. One of the great receiving tanks of the San Francisco Gas and Lighting Company was struck by lightning, the gas taking fire. No one was hurt in the explosion, but the tank was completely demolished. During the storm the city was entirely cut off from telegraphic communication with the rest of the world, the Western Union and Postal telegraph companies losing every wire out of San Francisco. The damage to telegraph wires is being repaired rapidly. Some damage was done in the mountains, but nothing definite can be stated as to its extent.

EXTRA SESSIONS.—There have been four extraordinary sessions of the General Assembly held under the present State constitution.

Governor Fred. W. M. Holliday called the first one, which met December 4, 1878. The second was called by Governor Cameron, and met March 7, 1882. Governor Cameron also called a third extra session, which met August 13, 1884. He called the first extra session in order that the legislature might pass a general appropriation bill, which it had failed to do at the regular session just then ended. The second was called in obedience to a request signed by two-thirds of the members. Governor Fitzhugh Lee called an extra session, which met March 16, 1887. Now, there is to be an extra session, called by Governor Tyler, to begin January 23. None of the proclamations convening the legislature in extra session has set forth the object of such session. Governor Tyler's proclamation follows the precedent.

Used by British Soldiers in Africa. Cap. C. G. Dennison is well known all over Africa as commander of the forces that captured the famous rebel Gahler. Under date of Nov. 4, 1897, from Vryburg, Bechuanaland, he writes: "Before starting on the last campaign I bought a quantity of Chamberlain's Coughs and Diarrhoea Remedy, which I used myself when troubled with bowel complaint, and had given to my men, and in every case it proved most beneficial." For sale by all druggists.

Now is the time when crop and lung troubles prove rapidly fatal. The only remedy that produces immediate results is One Minute Cough Cure. It is very pleasant to take and can be relied upon to quickly cure coughs, colds and all lung diseases. It will prevent consumption.

Rev. John Reid, Jr., of Great Falls, Mont., recommended Ely's Cream Balm to me. I can emphasize his statement. "It is a positive cure for catarrh if used as directed."—(Rev. Francis W. Poole, Pastor Central Presbyterian Church, Helena, Mont.)

After using Ely's Cream Balm six weeks I believe myself cured of catarrh.—(Joseph Stewart, Grand ave., Buffalo, N. Y.)

The Balm does not irritate or cause soreness. Sold by druggists at 50 cts., or mailed by Ely Brothers, 59 Warren St., New York.

The Great Difference

BETWEEN WEDDING GIFTS AND EUCHEBE PRIZES bought from our stock and those to be had of other dealers is the exclusiveness of the designs we can furnish. It is not our aim to supply you with some article to be had in any department store in the land, but to give you value received for your money in some article that will not only be attractive but DIFFERENT from the hosts of others seen elsewhere. We cannot go into the specifications of the articles we can show, but ask that you do not fail to call and examine our new goods. We can safely assure you that we have never been so fortunate in the selection of our stock of High-Top China, Glass, Brass Novelties, etc., at this season. It is a pleasure to show you the very latest productions of the FOREIGN AND DOMESTIC MARKETS, and nearly every line is HANDLED EXCLUSIVELY here by us.
